NOVICE DAY AUTOCROSS SCHOOL

AT THE JIM HALL RACING CLUB IN OXNARD

**HERE IS YOUR CHANCE
TO EASE INTO COMPETITIVE DRIVING!**

This one-time class will be limited to 18 students. The morning will be a learning transformation into performance driving. We'll gradually work up to speed using both one-on-one in-car and classroom instruction.

Topics will include, but are not limited to: driving dynamics, steering, acceleration, braking and cornering with primary focus on car control, and learning how to use the racing line.

In the afternoon, you'll receive extensive racing-line instruction and a driving session, including observation feedback. Your day culminates with a timed lap session. The goal is to help you increase your speed through expert guidance and practice. Lunch will be available, but it is not included in the price.

Other than your car needing to be "street legal," you may bring any car you'd like, preferably your Porsche.

PRICE IS \$200 PER STUDENT. HELMETS WILL BE SUPPLIED.

NOVICE DAY AUTOCROSS SCHOOL • 8:00am-4:00pm
