

PENCE

VINEYARDS & WINERY

.....
STA. RITA HILLS

SANTA BARBARA COUNTY

“The team at Pence Vineyards and Winery looks forward to delivering to you a special experience at the estate on Wednesday April, 10th for a luncheon and wine tasting in the vineyards.

Upon your 12:00 arrival at the Pence Homestead, you will be welcomed with a refreshing glass of Rosé Pinot Noir. With glass in hand you will then take a stroll up to our exclusive members-only area and meander around the pond and hundred year old Oak trees. A luncheon and wine pairing will follow amongst the vineyards at the Canyon Bowl. We'll then adjourn for wine tasting, after which you will have the option of a walking vineyard tour or relaxing in the shade.

As Pence is a working estate and vineyards, our guests are advised to wear comfortable walking shoes and have adequate sun protection.”
