

# LAKE TAHOE JAMBOREE

May 20-24, 2024

Five days and four nights in beautiful Lake Tahoe, with a scenic drive getting there and special tours in the area, is an SBR excursion not to be missed. We start in Castaic and travel up Hwy 395 along the eastern slope of the Sierras. Lodging for our stay is at The Landing Lake Tahoe Resort and Spa, South Lake Tahoe, a spectacular site at the water's edge. On Day 2 we'll enjoy a driving tour around the Lake, "the Jewel of the Sierra Nevada." Reservations have been made that evening for a group dinner at the Chart House, a short drive from the hotel. On Day 3 we head to Reno for a visit to the National Automobile Museum and lunch at the "best Mexican restaurant in Reno." While in Nevada, we can't miss the Nevada State Railroad Museum in Carson City. Dinner is on your own this evening. On Day 4 we are off to the famous gold and silver mining town of Virginia City, which is also where Samuel Clemens, editor of the local newspaper, penned the name Mark Twain: plenty of California history here. Day 5 is for the drive home, or extend your stay if you want more time in the area.

The cost is \$30 per person for the club's Activity Fee and tickets to the Railroad Museum. You'll book your own hotel arrangements at the special SBR price of \$219 per night per room (for two, kingbed). Reservations for the trip open March 21 and close on April 15 and must be made through [msreg.com/tahoe](https://msreg.com/tahoe). Once registered and confirmed, you will be provided a private weblink to the Landing Hotel to make your reservation, which must be done by April 15. Questions?: contact Lionel Neff at (805) 890-0588.
