

ROCKIN' AND A ROLLIN' TO THE ROCK STORE BBQ LUNCHEON

November 13, 2025

Get ready for a fun-filled drive through the Santa Monica Mountains on a route perfectly suited for Porsches. We'll start at the Camarillo Outlet Mall (630 Ventura Blvd) and end at the Rock Store.

The Rock Store is an iconic meeting place for celebrities, as well as car and motorcycle enthusiasts. Its history dates back to 1910 when it was a volcanic-rock-faced stagecoach stop and hotel. In the 1940s, the place enjoyed its popularity as a grocery store and the cultural center of Cornell. In 1961, Ed and Vern Savko converted it into a popular refreshment stop for drivers and motorcyclists drawn to the scenic canyon roads. Today, the Rock Store enjoys its status as an "In Spot" to just hang out. Ordinarily closed midweek, the Rock Store is opening just for our Santa Barbara Region members.

Lunch will be a mouthwatering feast of BBQ tri-tip, pulled pork, and homemade potato salad, along with your choice of a non-alcoholic beverage. A vegetarian choice will be available. The price for this fabulous drive-and-dine event is \$40 per person plus \$2 MotorSportsReg fee. Register at msreg.com/sbrrockstore2025. Questions: contact Lionel Neff at zuma13@msn.com.
